#### New Age NI Project: Seeds for Bees!

## We are "buzzing" for Spring here at Age NI!

We have a new project welcoming (hopefully) the better weather and celebrating the amazing role of bees for our environment: Seeds for Bees!

Groups have been given spring seed planting kits to plant wildflower seeds as part of a new sustainability project supported by Energia's Greener Possibilities Fund.

These kits have all been snapped up by groups that include pots, seeds, compost, an instruction sheet and a short video explaining how to plant them up. The video shares some interesting facts and information about the importance of bees to sustain our wildflower plants and green spaces.

We look forward to seeing some photos of bees once they bloom.

Thanks to all the groups who are taking part. Happy Planting from all at Age NI!

#### **Age Sector Networks**

Age Sector Networks (ASNs) across Northern Ireland having a happy season with lots more group activities, signposting, warm places, volunteering and engagement opportunities.

# Senior Well Ageing Network (SWAN) last meeting on 4<sup>th</sup> April 2023

The Senior Well Ageing Network (SWAN) meeting was well attended in April with group leaders across the Ards and North Down area. Members got updates from partners including SHESCT, the Council, Libraries NI, and Ards and North Down Borough Council.

A very enjoyable session filled with lots of information, advice and group support. Many members wanted to find out more about Age

NI's Movember programme with men's health week coming up. This network is all about strengthening the voice of older people, address their needs and reflect their views collaborating with Age friendly structures.

Thanks to Emma Hingston the Age Friendly Co-ordinator for sharing the new Big Guide with lots of updated information to age well across Ards and North Down.

Please see link to the Big Guide – <u>The Big</u>
<u>Guide | Ards and North Down Borough</u>
Council

# Senior Information Network Group (SING) held their last meeting on 19<sup>th</sup> April 2023.

The topics covered at this meeting were: Good Governance, Financial Wellness and lots of age sector information shared from Age NI, SEHSCT, Good Morning Colin and Lisburn & Castlereagh City Council.

#### Mid Ulster Seniors Network 24th April

Mid Ulster's first 50+ forum was well attended and the main issues raised: importance of Concessionary Bus Pass, Community Transport, Shop Mobility, Disability Access, Domestic Violence and it was also noted that there were less volunteers coming forward.

All groups and partners shared new programmes and summer activities with Libraries NI highlighting their Monday afternoons coffee and chat days. Support and advice was given to new group leaders and training opportunities. The Volunteer Centre gave an update on their new Forever Young Programme and Council highlighted their 5 Health & Wellbeing programmes.

Raisa Donnelly the Mid Ulster Age Friendly co-ordinator and Elaine Curry Age NI Engagement Manager were sharing information on the Age Friendly Network NI work and the feedback from local focus group on the great community spirit in Mid Ulster from their recent engagements.

# Age Sector Network Exchange Meeting 25<sup>th</sup> April 2023 @ Age NI offices in Belfast

Some key topics at the last Age Sector Network Exchange meeting included issues relating to: Age Sector Funding, Free bus pass, Banking issues, Access to Health & Social Care, Keeping connected, Shared Lives, Digital exclusion and Loneliness.

Age Sector Network leaders shared new activities and programmes: book buddies, adventure trips - bus buddies, happy at home newsletters, Information Big Guides, Craft classes, Age awareness training and Age friendly training.

### **Age Awareness Training**

#### **Age Awareness Training**

If Customer Service excellence is central to your business, how well do you understand the needs of older people?

Does your customer service team experience challenges when communicating with older customers?

Age NI Age Awareness Training will support your customer service team to learn how to communicate better with older people, and ultimately enable older customers to feel valued and understood when contacting you.

#### Through this training, customer service staff will:

- · Break down Age stereotypes
- · Understand the challenges facing older people
- · Learn the factors influencing communication with older people
- · Improve communication between generations
- · Discover how to signpost older customers who need other support

2 hour session cost: Online £350 + VAT In Person £500 + VAT

Does your customer service team experience challenges when communicating with older customers? Age NI offer an Age Awareness Training session that is specifically aimed at customer service teams within businesses/organisations.

This training will help develop skills within your team on how to communicate effectively with older people and understand barriers to communication, ultimately improving the service you provide and ensuring customers feel understood and valued.

The session can be delivered either virtually or in person and lasts approximately 2 hours. If you are interested in hearing more or would like to book a session, please contact

#### **ARN Foundation's Tackling Isolation Fund**

The ARN Foundation's Tackling Isolation
Fund will support organisations to deliver
projects in support of older people affected by
the cost of living crisis; and will be managed
by the Community Foundation for Northern
Ireland.

Among the hardest hit by the cost of living crisis are older people. Older people are often on fixed income, and the rising cost of food and fuel has often led to having to choose between eating or heating.

In recognition of the needs of older people, this a new Fund has a particular focus on food and fuel. Groups supporting older people can access up to £10,000 of financial support.

**Eligibility:** To be eligible to apply your project must target at least three of the key priorities detailed below:

- Supporting older people to keep warm.
- Supporting older people to access a nutritious meal.
- Reducing isolation and vulnerability of older people through supporting participation in activities.
- Enabling older people to access technology, and to potential benefits and entitlements that they may not be aware of.
- Beneficiaries who are rurally isolated.

# Examples of projects could include, but are not limited to:

- Supporting older people through delivery of services to live an independent and well-nourished way of life in their own home and as part of the community.
- Providing opportunities for older people to be involved in the design, delivery and ongoing management of community-based initiatives.
- Overcoming social isolation through social contact with other older people building on food activities, such as cooking from scratch and sharing meals, and other activities involving the wider community.
- Promoting intergenerational activities by involving older and younger people in food-based and social activities.
- Providing choice in meeting nutritional needs, including delivery of shopping by volunteers or accompanied shopping, and befriending support.
- Increasing affordability of, and access to, basic foodstuffs and/or fuel.

Closing date for applications is 26th May 2023. For more information and to apply, please visit <a href="The ARN Foundation Tackling Isolation Fund - Community Foundation">The ARN Foundation Tackling Isolation Fund - Community Foundation</a>

#### New 'Food hubs' grant funding available

Community Fridges Funding - bring people together around good food. Across the UK they are reducing social isolation, increasing access to skills, sharing knowledge and repurposing fresh (surplus) food.

In partnership with Starbucks we're offering £7,000 (per group) in funding for up to 50 Community Fridges to develop additional food initiatives. These additional activities could be skills workshops, growing initiatives, gardening schemes or cooking (to name a few)! So, if you're already running an open Community Fridge feel free to apply.

The funding aims to support the development of new activities relating to cooking, growing, budgeting and using surplus food that fit into one of four themes:

Skills – To up-skill your community and raise awareness of sustainable, affordable, and heathy living. E.g. workshops, events, cookbooks, or how-to-guides.

Affordable food – To try out new ways to increase access to local and affordable food. E.g. food cooperatives, food box schemes or food markets.

Community connection – To provide opportunity for the community to come together around shared food. E.g. community meals, coffee and chats, youth activities, and recipe shares.

Growing – To support community growing and increase the amount of edible food grown and shared locally. E.g. community gardens, greening projects and seed or plant sharing.

31st March 2023. Applications close 31st May 2023 at 11.59pm.
