

Sweepstake game

Whether it's the winner of a TV show or a sporting competition, everyone loves a sweepstake. For just £3 an entry, why not get involved and raise money for a good cause?

Here's how it works:

- Always host your sweepstake in person
- Write on the names or teams then cut them out, fold and put them in an envelope.
- Ask each participant to draw a name at random for a suggested price of £3 per name to create a prize fund.
- Write down who has picked which name on the page provided.
- When the event is over, present half of the total prize money to the person who picked the winner and then donate the other half to Age NI.
- Tag us in any social posts by using #AgeNI
