Personal Alarms for safety and independence

Proceeds from the sale of these products help Age NI to deliver vital services to older people across Northern Ireland.

Confidence.

Help is just a button press away.

Ageing shouldn't mean we have to stop living life to the full. Whether living alone, or managing health issues, we can still maintain our independence for longer, safe in the knowledge that help is there if the worst happens.

A personal alarm helps give the confidence and peace of mind to stay active and independent in later life.

With a personal alarm, your loved ones can stay independent at home longer.

Don't wait until it's too late.

Alarm button pressed

Fall alarm triggered upon serious impact[1]

How we keep you safe

Emergency Resolution Team alerted

Team hold medical information and arrange necessary help

Team stay in contact until help arrives

30-day money back guarantee for added peace of mind

Pay monthly	**£24.49 per month** (£29.39 incl VAT)	**£31.49 per month** (£37.79 incl VAT)	**£26.49 per month** (£31.79 incl VAT)
Pay annually	**£293.88** (£352.66 incl VAT)	**£377.88** (£453.46 incl VAT)	**£317.88** (£381.46 incl VAT)

Subscription includes: 24/7 emergency resolution, unlimited alarm calls and lifetime warranty.

PLUS: You may not need to pay VAT, 91% of our customers don't.

BT have announced that by 2027 all analogue phone lines will be replaced with digital ones. Our fully-digital personal alarms are future proof and do not rely on a telephone landline.

Every 10 seconds of every day, an older adult falls

Data from www.poppi.org.uk

"A Personal Alarm can reduce overall hospital admissions in older adults by up to 50%."

Prof. James Brown

Aston University

"It was an excellent and speedy service. It gave us all a reassurance of safety that we needed."

Anthony B.

The Age NI Personal Alarm provided by Taking Care.

[1] The Fall Alarm cannot guarantee to detect all falls and is dependent on the impact from the fall. If you fall and can press the emergency button, then you should do so.

[2] Weekly price based on ongoing monitoring costs after initial set-up (ex VAT) of the Digital Personal Alarm. All calls and data costs included, no hidden extras.

[3] Digital Personal Alarm can be worn in the bath and shower (IP68 standard). Taking Care Anywhere can be worn in the bathroom and shower (IP67 standard).

Prices correct at time of printing.
