

Personal Alarms for safety and independence

Proceeds from the sale of these products help Age NI to deliver vital services to older people across Northern Ireland.

Confidence.

Help is just a button press away.

Ageing shouldn't mean we have to stop living life to the full. Whether living alone, or managing health issues, we can still maintain our independence for longer, safe in the knowledge that help is there if the worst happens.

A personal alarm helps give the confidence and peace of mind to stay active and independent in later life.

**With a personal alarm, your loved ones
can stay independent at home longer.
Don't wait until it's too late.**

**Free wellbeing calls – if we notice
anything of concern, we'll get in touch²**

**Call Taking Care today
to lock your subscription until 2027***

 **0800 917 7223** |  **www.ageni.org/personalarms**

Lines open 9.00am - 6.00pm, Monday to Friday

A small price to pay for peace of mind

Easy-to-use devices with simple set-up and no hidden costs,
all connected to our caring Emergency Resolution Team.

	Includes 1 month free every year			

PLUS: You may not need to pay VAT, 91% of our customers don't.

BT have announced that by 2027 all analogue phone lines will be replaced with digital ones. Our fully-digital personal alarms are future proof and do not rely on a telephone landline

Many people
who fall
develop a
fear of falling
and become
less active

Every 10 seconds
of every day, an
older adult falls

Data from www.poppi.org.uk

“A Personal Alarm
can reduce overall
hospital admissions
in older adults by
up to 50%.”

Prof. James Brown
Aston University

Staying active
as we age
improves both
physical and
mental health

“Easy to order, easy to set up
and it has given us peace of
mind that Dad is much safer.
Excellent! Would thoroughly
recommend.”

Michelle R.

The Age NI Personal Alarm provided by Taking Care, part of AXA

* Subscription will remain the same until 1st January 2027 for new customers who sign up before 1st April 2026. Offer subject to change and may be withdrawn at any time.

¹ The Fall Alarm cannot guarantee to detect all falls and is dependent on the impact from the fall. If you fall and can press the emergency button, then you should do so.

² Free wellbeing calls (ActiveAlert®) - full details available on our website or via our Sales team.

³ Weekly price based on ongoing monitoring costs after initial set-up (ex VAT) of the Digital Personal Alarm when paying annually by Direct Debit. All calls and data costs included, no hidden extras.

⁴ Digital Personal Alarm can be worn in the bath and shower (IP68 standard). Taking Care Anywhere can be worn in the bathroom and shower (IP67 standard).
